PROFESSIONAL SUMMARY

I have completed my Bachelor's degree in Computer Science. I am eager to put my knowledge into practice, gaining hands-on experience in a real work environment. I hope to improve my skills by working on a range of digital projects and contributing to a team focused on building user-friendly web applications.

EXPERIENCE

Date Range: August 2023 - Present

YouTube Courses on Frontend Web Development:

- Comprehensive Frontend Course:**

Projects:

- Clone Magma Website (thisismagma.com) :**
 - Developed a clone of Magma website using HTML, CSS, and JavaScript.
 - Focused on replicating the design, layout, and user interactions.
- HRMS Application:**
 - Developed a Human Resource Management System using React.js.
 - Implemented features such as employee data management, payroll processing, and attendance tracking.
- Portfolio Website:**
 - Created a personal portfolio website using Next.js and Tailwind CSS.
 - Deployed the website on Vercel for easy access and sharing.
 - Here is the link (<https://portfolio-website-omega-olive.vercel.app/>)

React Trainee

2024 - Now

Arkplus Private limited, Rawalpindi

I am currently a React.js trainee at Arkplus Pvt Ltd, working remotely as part of a web development internship. This role allows me to build my skills in React.js and gain practical experience in a professional environment
